++ Valid for broadcast between 1800 and 0600

Headline:
Rather cold and windy. Sunshine and showers, wintry on hills.

This Evening and Tonight:
Cold with clear spells and further blustery sharp showers. These showers will be wintry over hills, to perhaps give some icy stretches down to low levels in places. Probably becoming cloudier and more generally wet in the south around dawn. Minimum temperature -2 deg C (28 deg F).

Friday:
Probably a cloudy and wet start in the south. Otherwise a windy day of sunshine and further blustery showers, with some heavy and thundery, and with snow on hills. Maximum temperature 8 deg C (46 deg F).

Outlook for Saturday to Monday:
Unsettled and windy to start the weekend, with further blustery showers giving some hill snow, and some rain more generally. Gradually becoming drier and less cold into the new week.
